WORSHIP MINISTRY

Transforming our families, community and world into devoted followers of Jesus Christ through the Word of God.

We were created to worship...and we all worship something or someone. A devoted follower of Christ is a worshipper of Christ and that's what we aim to build. We gather on Sundays to celebrate corporately the worship of a glorious God who we have delighted in all week long.

TEACHING

Preaching

The Bible is the story of God's glory and as we explore the work of God in the redemption of mankind we worship Him with our hearts, souls, and minds. We are committed to an expositional teaching of the Scriptures that burst forth in our lives with real life transformation and joy.

Special Services

We gather on special occasions as family to thank God for His grace towards us. We aim at making weddings, funerals, praise and prayer services, and other gatherings a time of worship to our God.
